Slim Distressed Biker Denim Jeans for Spring and Fall

Brief but Rather Complicated. Our jeans are both practicality and fashion, so whether on weekdays or weekends, it provides a good choice for people.

The fine details of the basis of high quality. At any time Details First always keeps in our mind, so we strictly control every process of jeans production.

Differ from straight leg, tapered leg easily elongate the legs to the maximum and beautify leg curve in the visible.

Rolling up of the leg may have unexpected effects when wearing.

Excellent Elasticity

The soft and springy fabric fit for every figures and hold its shape throughout the day.

Superior Design

Brief figuring style with zipper decor at ankle part show your particular dressing taste.

Breathable Fabric

Comfy, with soft fabrics in rich textures. It is fadeless and pilling resistance.
